

YOUR PLUMBING TRAINING PARTNERS

Cengage and PHCC Educational Foundation

Cengage continues a publishing partnership with the PHCC Educational Foundation. We have developed a complete 4-year training program that includes high-quality textbooks and useful instructor supplements. The curriculum is based on input from the PHCC Educational Foundation subject matter experts and contains a real-world orientation.

OUTSTANDING FEATURES OF THIS SERIES:

- ▶ detailed illustrations that provide accurate visualizations of tools, structures, and concepts seen in the field
- ▶ additional examples and sidebars lend interesting additions to the core material, making the books easy to read
- ▶ up-to-date code references give readers confidence that they are armed with the most current information and skills that can be applied immediately on-the-job
- ▶ instructor's resources include a computerized test bank of exam questions, PowerPoint® slides that highlight key concepts from the corresponding text, an image library, and an instructor's manual
