

2018 Plumbing & HVAC Apprentice Contests

Help us showcase students' cutting-edge skill sets.

Contests Feature ...

Plumbing Contestants:

- Install a basic three-piece bathroom—toilet, sink, and shower
- Install water and drain, waste and vent lines
- Determine rough-in locations
- Establish grade lines for installing plumbing
- Install vents and cleanouts
- Rough-in waste and vent lines
- Rough-in water supply lines
- Secure horizontal and vertical lines of pipe to wood and metal surfaces

HVAC Contestants:

- Demonstrate proper oxyacetylene brazing techniques
- Perform a pressure test and leak test, and pull a vacuum on a system
- Demonstrate proper recovery procedures
- Take a full set of readings on a functioning package unit and measure airflow, static pressure, and capacity from the package unit
- Perform a hands-on diagnostic and repair on a package unit
- Take a written test evaluating HVAC knowledge

“[The contests are] a collective effort of industry professionals who truly care about the future and sustainability of our industry and developing its future leaders.”

– Michael Kirby, Milwaukee Tool

Invest in the Best!

Showcase the Next Generation of Plumbing and HVAC Technicians

Headline Sponsor I (\$6,000)

Maximum 10 per Contest

Supports the contest's direct costs and the cost of one contestant. Sponsorship includes benefits of the Contestant Sponsor **PLUS**:

- Logo placement on front page of contest promotional brochure.
- Onsite hanging signage above the contest area.

Contestant Sponsor I (\$3,000)

Supports the cost of one contestant. Sponsorship includes benefits of the Materials/Prize Sponsor **PLUS**:

- Logo placement on Apprentice Contest page of PHCC website.
- Promotion in all event promotions and communications.
- Onsite signage on the bench of the sponsored contestant.
- Contestant wears your logoed shirt (you provide) for the contest.

Materials/Prize Sponsor

Materials sponsors provide equipment and supplies to be used in the contest. Prize sponsors provide prizes of tools and other goods/incentives for the top 3 finishers in each contest. Sponsorship includes:

- Promotion in event communication following the event (press releases, etc.).
- Onsite signage.
- Opportunity to provide logoed items (hand tools, t-shirts, hats, etc.) to all contestants in their goody bags.

“I came back with tons of confidence ... that's helped me a lot with my job.”

– Leroy Friend, 2014 HVAC Apprentice Contest Winner

ACT NOW! Sponsorship benefits will be based on options available at time of reservation.
