Ellen Whitaker, In Memory of George Raburn

MAKING GIVING EASY

Thanks to our new technology tools, making a gift to support the Foundation's educational mission has never been easier. How easy?

GIVE IT A TRY AND SEE!

STEP 1 – Text **"GIVEPHCC"** to: **44321**

STEP 2 – Tap the link in the reply text message.

STEP 3 – Choose your gift amount and payment method.

Many people have asked us about giving on a monthly basis instead of making a single big gift. One tap to choose the monthly option on the donation screen is all it takes to put your giving on auto-pilot.

Either way, you will receive an e-mail with your donation receipt. You also get our thanks for keeping our scholarships, apprentice training and management workshops powered up and helping our industry. And of course if you would like to call with your gift, we are happy to talk! (800) 533-7694
