Dear PHCC Educational Foundation:

Thank you for the generous Jim Finley Memorial Scholarship in the amount of 2,500. I am very pleased and appreciative to learn that I was selected as the recipient of this award.

Let me tell you about myself. I am currently working at George Plumbing Co. Inc. who agreed to support me in my plumbing education and career development. I am currently starting my third year of a four-year apprenticeship program and plan to pursue a journeyman license, followed by a master plumbing license, and see a good future for myself in medical gas. Upon reading about Jim's background and the services he provided to customers and community, my feeling is he aimed to be the best he could be. I also strive for this goal of being the best I can be, and hope to be respected by my work, ethics, and good attitude.

Thanks to this Scholarship I will be able to finish this program without worry of where my educational financing is coming from and focus on the aspect of learning.

With gratitude,  
William S Sexton

Dear PHCC Educational Foundation Committee  
and Ridgid Tool Co. -

I want to sincerely Thank you for the  
tuition Scholarship and the plumbing tools you  
awarded me. Both will go a long way in  
supporting me throughout my education and career.

I have felt very supported by my employer, school  
and plumbing community and I am grateful to be  
part of this profession.

I can't wait to put my Ridgid tools to work.  
Thank you again for this terrific award and  
confidence in me.

Sincerely,

John P. Baver

Dear PHCC, PHCC Educational Foundation, the board of directors and those who donated money: thank you. I cannot begin to express the gratitude I have for being awarded this scholarship. It is such a blessing and I am so thankful. Thank you for investing into my college education and future career. My next year at school is being made possible by you. Thank you! -Blake Jackson

Dear PHCC Education Foundation,

I am writing to express my gratitude to you for awarding me one of the PHCC's 2019 scholarship awards. I am very thankful to have your support. As I will be taking four time intensive classes, as well as continuing to volunteer with Siemens, your generous assistance will allow me to concentrate more of my time to learning. Thank you again for choosing me for such a great honor.

Sincerely,

Rebecca Bezel

As far as trade related jobs go, I have been working with Atlantic Heating and AC since I was a freshman in high school. Beginning as a summer only apprentice, and since 2017 when I graduated I have been working a mix of full and part time positions.

While taking college classes, I work 3 days a week and spend two studying Engineering Technology (CAD). During the summer I take online college classes and work full time. I am in my 5th year of the tier program and hope to obtain a journeyman license in the next year - year and a half depending on work experience hours.

You and your donors have been a great help by allowing me to worry less about expense and focus on the end goal. Your scholarships have helped pay for code books, textbooks, and tuition to both Peterson, as well as two different colleges that I have studied at in the past two years.

Hopefully others can benefit as much as I have!

-Liam Chapman, 2018 winner

I am writing today to thank you for selecting me as one of the recipients of the PHCC scholarship. It is an honor to have received this reward and it is greatly appreciated. It will help me immensely in furthering my post-secondary education.

Yours truly,  
Ben Thomson

Thank you all so much for the generous scholarship. It will be immensely helpful in paying for my academic endeavors. Have a great day and thanks again.

I am writing to thank you for your generous scholarship. I am greatly honored to be selected for this award, and I am deeply appreciative of your support.

Over the next four years, I wish to pursue an education in science and engineering, and I plan to graduate from the University of Minnesota, Twin Cities, with a Bachelor in Mechanical Engineering and a double major in English. With this, I hope to bring my technical knowledge to others, perhaps through some sort of technical writing or teaching. The financial aid that you have provided for me helps a great deal with my educational expenses and allows me to focus more on my intensive schoolwork.

Thank you again for your generosity and support. Without your help, I would be unable to achieve my high-reaching dreams of pursuing a secondary education.

Sincerely, Emily Rascher

I wanted to say thank you for the scholarship award. It is greatly appreciated and will definitely assist me in pursuing my engineering degree.

Please forward my gratitude to the PHCC Educational Foundation Board of Directors and those responsible for donations to make this possible.

I am currently working this summer at a HVAC Company. SIU Edwardsville classes will start in early September and I will register 13-14 credit hours.

Again, thank you!  
Jack P. Lugge

Thank you so much for this incredible opportunity! I am so grateful for your company's generosity in awarding me this scholarship, and it will be a tremendous help in being able to afford to attend Michigan.

If there's anything I can provide for you beyond the information I filled out in the form you included, please let me know. Again, many thanks to you and to PHCC!

Best wishes, Taylor Gilbert
