## OUR FAMILY TREE IS GROWING...

The stability of the Foundation's finances can be credited to the generous donors who have made major gifts to the Foundation's Endowment Fund. These individuals form the core members of our committees and together serve as our Board of Governors. Our congratulations and thanks to the newest members of the Foundation family!

### **Jonathan and Susan Moyer Cocalico Plumbing & Heating in Denver, Pennsylvania**

Jonathan Moyer and his wife Susan have been married for 36 years and have two sons, James & Andrew. The family has grown over the years to include a daughter-in-law and 4 grandchildren.

Jonathan owns a plumbing & HVAC company that he started over 30 years ago out of his home. Hard work has made it grow and prosper, with 18 employees now working in the business. Jonathan credits the dedication and hard work of family members and staff to the company's success.

Jonathan has served as a local PHCC chapter President, Secretary and later Chairman of the PHCC of PA state chapter board, national PHCC Zone Director and he is currently completing his term as the PHCC—National Association President.

He enjoys spending time in the great outdoors and with his family. He is also actively involved in his church and outreaches. Jonathan and Susan typically do a mission trip to Guyana annually.

Of the Foundation, he says *"I'm proud to give to the Foundation because they are shaping the future of this industry by all that they do."*

Welcome Jonathan and Susan!
